The Farmer

Knows To-day

The market value of his product is a very imp ant thing for the farmer to know. There was a time when be bought at the price es-tablished by the seller and sold at the mercy of the buyer. Now, with a telephone on the form, he is on equal footing with city merchant or basiness man.

Better farms, crops, live stock and prices, is the ticel answer to the farm telephone.

Write for free booklet to-day. Address cearest Bell Office.
